

## Concert Attire

Concert attire consists of dress blacks. That means the following:

### Boys:

- Black dress pants
- White or black dress shirt. A dress shirt is either a button up or a polo with no logos or designs.
- Black shoes
- Black socks

### Girls:

- Black dress  
or
- Black dress pants with a black or white top  
or
- White or black blouse with black skirt.
- Black shoes

Clothing must be school appropriate. If girls wear a dress or skirt, it must be **longer than the knees**. If any clothing is questionable about being school appropriate, consult the school handbook.

Boys may wear a suit coat or tie if they wish. Girls may wear simple accessories as long as they do not draw attention to the student. Remember that concerts are about the entire band. What you wear should not single you out from the rest of the band.

If any student has a difficult time providing the appropriate clothing for concert attire, please contact me. The school should be able to help ensure that all students will be able to meet the requirements.
